

Bridge to Resyndication

Bridge Loan for LIHTC-Eligible Properties

A Bridge to Resyndication Loan provides efficient, short-term financing (a taxable acquisition bridge loan) to help borrowers acquire or refinance Low-Income Housing Tax Credit (LIHTC) eligible properties.

The funding is a much-needed bridge that positions properties for recapitalization using 4 percent LIHTCs and long-term Freddie Mac financing, such as our [Tax-Exempt Loans](#).

The Freddie Mac Difference

When it comes to multifamily finance, Freddie Mac gets it done. We work closely with our OptigoSM network of Seller/Service providers to tackle complicated transactions, provide certainty of execution and fund quickly.

Contact your Freddie Mac Multifamily representative today — we're here to help.
